

ANNUAL SCHOOL CALENDAR AND SCHOOL HOURS

The School Board's goal is to approve an annual school calendar that establishes at least the days that are planned for direct student instruction and on which students are expected to attend school, as well as any days on which parent conferences are planned, by March of the preceding school year.

The District Administrator shall prepare a proposed annual school calendar and present the proposed calendar to the Board for approval in a timely fashion. The calendar will identify at least the days on which students will be expected to attend school and any days that are planned for parent conferences, record keeping, and professional development.

The administrative calendar proposal may identify one or more items which are more tentative in nature and which, therefore, may be more likely to change and/or which may expressly be left as "subject to later confirmation."

After an annual school calendar is approved by the Board and publicized, the school administration and the Board will be reluctant to substantially modify the calendar, but the District cannot guarantee that no changes will be made.
