

Rib Lake Middle School

September 2017

Rick Cardey,
Principal

School pictures are scheduled at RLMS on Tuesday, October 10, 2017.

Student School Attendance

One of the areas of concern that arises each year is student school attendance. The state attendance regulations that the school district is mandated to comply with are outlined in student handbooks and are discussed with students on the first day of school. We ask that parents or guardians contact the school when their student will be/has been absent. Parents are also encouraged to obtain verification for any appointments to professionals for their child. Please take the time to review this issue with your student since we are obligated by the state to enforce it.

On-Line Calendar of Events

If you are interested in tracking events at RLMS you may view them on-line:

- go to the RLMS website
- click on "RLMS Calendar" (right toolbar)
- you may click on any given event and it will expand to give you more details regarding that particular event.

This site has posted activities for both RLHS and RLMS. If you have any questions/concerns with this process, please contact either school office.

To stay abreast of Rib Lake Middle School rules and (or) daily happenings, be sure to thoroughly read the Middle School Student Handbook (posted on the middle school webpage @ www.riblake.k12.wi.us/rlms) Daily announcements and assignments are also posted there. You may always call the middle school office with questions you might have.

RLMS Program Start Dates

RLMS: This program informs parents of assignments their students have not completed and restricts students who have had delinquent assignments. Recording of missing assignments starts on September 11th.

On-Line Grading: This allows parents to access their student's grades and lunch account information. If you need assistance accessing your family account, please contact the office. Information will start to be available after September 12th.

Learning Centers: The Rib Lake School District has a grant for funding of our morning Learning Center and an After School Program. These services will begin on September 11th. Information on these opportunities is available in all school offices.
