

The Great Kindness Challenge

In collaboration with Kids for Peace, Rib Lake Elementary will be kicking-off the Great Kindness Challenge (GKC) during the week of February 8, 2016! It will be part of a week long, positive, proactive bullying prevention initiative, devoted to performing as many acts of kindness possible. Last year 2,188,669 students from 4,128 schools nationwide participated and this year RLES will join them!

In addition to having special days to focus on Bucket Filling, Random Acts of Kindness, and Paying it Forward, students will be challenged to complete a 50-item checklist of kindness ideas at school. The guidance classes during the week will be a-buzz with kindness projects that extend kindness and joy to people in the Rib Lake community and beyond.

All kids deserve to learn in a safe, supportive and dynamic environment. The Great Kindness Challenge actively engages students, staff and families in creating a school culture of acceptance, tolerance, unity and respect. Simply put, we believe that KINDNESS is strength and has the power to make the world a better place!
