Congratulations to our students and staff at Rib Lake Elementary School!

Announced this week by the Wisconsin Department of Instruction, Rib Lake Elementary School is among 169 public schools selected as a Wisconsin Title I Schools of Recognition for the 2015-16 school year. Rib Lake Elementary receives recognition as a High-Progress School, one of 26 schools, falling within the top 10 percent of schools experiencing growth in reading and math for elementary students. High-Progress Schools are those that fall within the top 10 percent of schools experiencing growth in reading and mathematics.

This award celebrates the hard work and dedication of our teachers, staff, and principal at Rib Lake Elementary School. Together, they have collaborated to identify gaps in reading and mathematics for each child, and then personalize instruction to address these needs. The efforts of both our students and parents cannot go unmentioned. They have worked diligently in school and at home to bring about the successes they are experiencing.

Rib Lake Elementary School will be recognized at a ceremony on March 14th at the State Capitol.

"Congratulations to these schools. They are examples of the academic success we need in all of our schools to close achievement gaps," said State Superintendent Tony Evers in announcing the Wisconsin Title I Schools of Recognition for the 2015-16 school year. "These awards recognize the work of students and their parents along with teachers, school administrators, and school staff members to break the link between poverty and low academic achievement. Their efforts will help us ensure that every student graduates college and career ready."

We are fortunate to have staff who truly believe our motto: 'Together for Children'!
