

# RLMS UPDATES

## PRINCIPAL'S CORNER

Dear RLMS Families,

School is in full swing here are RLMS! Students have gotten into the routines and procedures of school. They have settled into their classes, and we have even taken some time to squeeze in some fun through our Homecoming Day activities, heading out to the School Forest for the afternoon, and our soon to arrive end of the quarter activity day. Throughout the year when we have special events planned on half days, we use it as an opportunity to help support any students who have missing work or are struggling with having D's or F's, providing time and support for them to get caught up before joining the fun. You can always log into your JMC Parent Portal to see your child's up-to-date grades and any missing assignments.

As we continue through the school year, please be in touch with classroom teachers regarding any concerns you have with your child - whether they are academic, social, or emotional. We are here to help guide and support throughout these Middle School years and are happy to help students work through any struggles that may arise.

## REPORT ATTENDANCE

Please reach out to the main office by 9:00 if your child is late or not in attendance for the day.

**RLSD PHONE NUMBER**  
**715-513-7573**

**RLMS SECRETARY E-MAIL**  
**JELEUTH@RIBLAKE.K12.WI.US**

*Schedule Reminder*

**Monday, October 27th**

12:30 Dismissal for students  
End of Quarter 1

**November 26 - 28th**

**No School**

Thanksgiving Break

## XELLO

During our Personalized Learning Time this year, students are spending some days to think about their future by completing Academic and Career Planning using a program called Xello. This month, students completed a Matchmaker activity, which helps them identify some career fields that may be a good fit for them in the future. Ask your child what careers they matched with!

You're Invited!

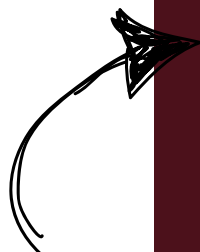

The Rib Lake School District will host a **Veterans Day Ceremony** on November 11th, 2025 at 10:30am in the High School Gym. The community is welcome to attend and celebrate the veterans who have done so much for us. Light refreshments will be served at 10:00 for any Veterans interested in attending.

## Dungeons & Dragons

**Dungeons and Dragons Club** meets Wednesdays 3:30-5:15pm in Ms. Klaver's room in the High School.

Thank You!

## Community Leaf Raking

Every year our students give back to the community through various projects around town. This includes raking leaves for elderly community members, cleaning up parks and other community areas, and other little projects to help get ready for winter.

This year our Community Service Day is scheduled for the afternoon on Thursday, November 13th. We will run a shortened schedule in the morning and head around town in the afternoon.

## Unity Day

October is Anti-Bullying month. It is a time to pause and reflect on what we can do each day to show the Rib Lake Way and make our school a place where all feel welcome and know that they belong. All students are invited to wear **orange** on Tuesday, October 21st to stand together against bullying.

## Pre-Planned Absences

If you know your child will be out of school either for either a family trip or a week at the shack over the Monday and Tuesday before Thanksgiving Break, please inform the Main Office by **Monday, November 17th** so that we are able to plan meals and instruction during that time.

# Attendance Matters

**RLMS: EVERY STUDENT. EVERY DAY.**

*#youbelonghere*

## SCHOOL FOREST DAY

Students had a beautiful time to enjoy the school forest last Friday, October 10<sup>th</sup>. They heard various presentations from local organizations and volunteers around:

- River Study
- Predator/Prey
- Habitats
- WI DNR - ATV/Snowmobile
- Tree ID
- Preparing for Winter

Thank you to everyone who made this day a success for our students!

## 8<sup>TH</sup> GRADE

### HEAVY METALS TOUR

On Wednesday, October 8<sup>th</sup>, all 8<sup>th</sup> grade students attended the Heavy Metals Tour in Tomahawk. They were able to visit the Daigle Brothers and LP Building Solutions to learn about the production industry and careers related to this field. They were also able to enjoy some great fall weather out at the park.
