

# RLHS UPDATES

## PRINCIPAL'S CORNER

Dear Parents,

April is here, and the end of the school year is quickly approaching. We continue to be proud of each of our students and their accomplishments as their talent is shining through – in the classrooms, on the courts, and through various performance opportunities.

April also brings Spring testing, and we are excited for our students to shine. Please note these important dates for our Freshmen and Sophomores and support your child by encouraging good rest the night before. The PreACT is a great opportunity for students to see areas they are doing well in and areas that may need some additional work. It also mirrors the ACT they will take as Juniors, incorporating a timed aspect into their test-taking efforts.

- April 15 - Freshmen PreACT Testing Day
- April 16 - Sophomore PreACT Testing Day
- April 17 - Sophomore Forward SS Testing Day

## CONSTRUCTION UPDATE

As we head into April, we will begin to see more construction vehicles onsite as the construction crew begins work in and around the buildings. Please drive carefully as we navigate new student pick up and drop off routines.

## Groundbreaking Ceremony

On Wednesday, March 26<sup>th</sup> RLHS and RLMS students joined RLES students and community members during PLT to celebrate the groundbreaking of our referendum building project. Thank you to our student speakers, ground breakers, yearbook photographers, and pep band for helping us celebrate this special day.

# Attendance Matters

**RLHS: EVERY STUDENT. EVERY DAY.**

*#youbelonghere*

## Solo & Ensemble

RLMS & RLHS choir and band students participated in Solo & Ensemble in Athens on Friday, March 28<sup>th</sup>. This music event allows students to feel the importance of practicing solos, duets, and group pieces and performing them in front of a judge. The judge offers a critique to help each student or group to improve. Congrats to all of our musicians for performing well, and good luck to our many band and choir pieces that will be performing at State Solo & Ensemble on Saturday, May 3<sup>rd</sup> at UWSP.

## Forensics

Good luck to our Forensics teams as they head to Madison for State Forensics on Saturday, April 12<sup>th</sup>. All 12 students will be advancing, performing in either Group Interpretive Reading or Prose.

*Good!  
Luck!*

## Lifetime Fitness

Mr. Yanko's Lifetime fitness class has been enjoying various learning opportunities outside of school. Thank you to Hanke's Little Bohemia for hosting student bowling and the Medford Curling Club for sharing your space with our students.

# March Student of the Month

Congratulations to Chris Krause for being named our March Student of the Month! Chris is completing a Work Study with our IT Support Technician where he consistently shows dedication, enthusiasm, and a strong willingness to learn. He actively engages in every opportunity to expand his technical skills, and he goes above and beyond by identifying and addressing technology challenges that impact his peers. His efforts are not just learning - Chris is making a real difference. His insights as a student provide valuable feedback that help shape technology solutions to be more effective and student-friendly. His collaboration is directly improving the stability and functionality of the tools students rely on daily. Beyond his technical expertise, Chris brings a positive attitude and an infectious smile that make him a pleasure to work with. His passion for problem solving and teamwork sets an excellent example for others.

**CHRIS KRAUSE**

## THE TIME TO GIVE BLOOD IS NOW

**RLHS** is holding its  
spring Blood Drive on  
**Wednesday, April 9<sup>th</sup>**  
for any **RLHS Students**  
**16 & older** who are  
willing and able to  
donate.

## Boys Basketball Conference Honors

### ALL CONFERENCE HONORS

The first two(2) cancellation days will not be rescheduled.  
All other days will be at the school board's discretion.  
\*April 17 may be used for a make-up day.

Parent/Teacher Conferences - Oct. 16 & Feb. 19 from 1:00 pm - 6:00 pm

The 2025-26 calendar was approved at a recent School Board Meeting. Please note that the district will begin school one week earlier than normal next year. This will allow the school year to finish one week earlier as well, giving our construction team more time to complete the kitchen renovation in the summer of 2026.

With this school calendar, our first day of school for students will be August 25th, 2025 and our final day of school will be May 22nd, 2026. The date for graduation has not been decided yet, but will be made in the coming months.

Northcentral Technical College Phillips Campus will be offering just one summer/fall Babysitting Certification course with 10 available seats. It will be held on Wednesday, June 11, 2025 from 8:00am - 3:30pm. The cost of the course is \$71.00.

This American Red Cross Babysitting Certification course will prepare youth to be safe, effective, and responsible babysitters. The training is designed to provide universal skills in areas that every babysitter should know, including basic care for infants and children, basic First Aid, child behavior and appropriate activities, emergency protocols, and more.

This course is intended for 11-15 year olds. A few things that you will need to bring to class that day: baby doll, baby blanket, pencils, sack lunch, and drinks for the day. There is limited vending onsite.

Please use this [link](#) to register for the course.

**Northcentral  
TECHNICAL COLLEGE**

### Babysitting Certification Phillips Campus

#### Ages 11 - 15

#### Wednesday, June 11, 2025 8:00am-3:30pm

- basic care for infants & children
