

School District of Rib Lake
JOB POSTING
ENGLISH TEACHER

Job Description: The School District of Rib lake is seeking applicants for a full-time English teacher who will teach English and provide small group reading interventions. Applicants must possess and be able to teach communication skills, writing strengths, and reading proficiency. Strong collaboration skills are also necessary due to the thematic instructional approaches used and the close contact needed to meet Northcentral Technical College Dual Credit standards. The high school courses primarily focus on standards to meet post-secondary ELA readiness and dual credit experiences, while the middle school responsibilities focus on using existing interventions to support student growth.

Rib Lake is looking for an applicant that provides innovative, engaging instruction using the Common Core ELA Curriculum to integrate skills to encourage positive student participation. Rib Lake High School and Middle School are 1:1 schools, where all students have Chromebooks to support student learning and to promote a deeper understanding of the curriculum. Innovative labs are also located in both buildings to promote student collaboration and critical thinking skills.

Qualifications: Candidates must hold or be eligible for a Wisconsin English Teaching license.

Start Date: August 22, 2018

How to Apply: Apply through WECAN

Contact: Interested persons are encouraged to contact
