GENERAL BACKGROUND INFORMATION

You must give complete answers to all questions.

If you answered "Yes" to any of the above questions, please provide a detailed explanation on a separate sheet of paper, including dates, and attach it to this application. You must list all offenses, and for each conviction provide date of conviction and disposition, regardless of the date or location of occurrence. Conviction of a criminal offense is not a bar to employment in all cases. Each case is considered on its merits. Your answers will be verified with appropriate police records. Please print and sign your name on the sheet, and include your social security number.

Conviction of a crime or pending charge is not an automatic bar to employment. The district will consider the nature of the offense, the date of the offense and the relationship between the offense and the position for which you are applying. Have you ever been found guilty of, or do you presently have pending, any violations of law including ordinance violations other than minor traffic violations? (In accordance with State law, pending charges or convictions will not be used or considered unless they are substantially related to circumstances of the particular job.)
