

2018-19 School of Recognition

Rib Lake Elementary has recently been named a High Achieving School for 2018-19 by Wisconsin Title I School of Recognition. Rib Lake Elementary was 1 of only 19 schools in the state of Wisconsin to receive the High Achieving School award. To receive this award the school must demonstrate high achievement across content areas and have achievement gaps that are less than 3% points between student groups or show evidence of reducing gaps greater than 3% points. Rib Lake Elementary received the Wisconsin Title I School of Recognition for High Progress in 2015-16 and has continued to help the students grow at higher levels each year to achieve this top award. This award is truly a celebration of the hard work and dedication of the students, staff, and community working together to build a culture of high expectations using data driven decision making while developing relationships of trust and collaboration.
