9. Today is Patriot Day. On September 11, 2001, four planes were hijacked. The hijackers then deliberately flew three of the planes into two important buildings, the Pentagon in Washington DC and the Twin Towers of the World Trade Center in New York. The fourth crashed into a field near Shanksville, Pennsylvania. The loss of life and damage that these hijackings caused form the biggest act of terrorism ever on United States soil. Nearly 3000 people died in the attacks and the economic

impact was immense. Today we remember those who lost their lives as a result of this terrorist attack.

10. Happy birthday tomorrow to Reagan Reinhardt.
11. Have a good weekend.
