

RIB LAKE SCHOOL DISTRICT

MISSION & INSTRUCTIONAL GOALS

OUR MISSION

It is the Mission of the School District of Rib Lake to provide the highest quality education for every student in a responsive and enriching environment. Our Vision is that every student will develop a passion for learning and graduate with skills and knowledge to achieve personal success.

2019-20 District Instructional Goal

RLSD will increase student engagement, achievement and career and college readiness by being responsive to individual student needs through effective collaboration and instructional practices using technology integration, the Common Core State Standards and focused accountability systems.

Rib Lake Elementary School Goals

GOAL#1: By the Spring of 2020, the students in grades K-5 will increase their ability in math by an average of 30% as measured by the AIMS Web MCAP, Comp or AIMS K assessment.

GOAL #2: By the Spring of 2020, 80% of the students in grades K-5 will be at the end of the year Fountas and Pinnell (F&P) benchmark reading levels or have increased their reading level by one year of achievement as identified by the F&P Text Level Gradient.

Middle/HIGH SCHOOL

GOAL: The number of students considered “average” or higher will increase by 5% during the 2019-2020 school year as measured by MAPs Spring data for both Math and ELA.
