RLSD Swimming Lessons

July 10-July 21 Monday - Friday
8AM-12PM

Swimming lessons will be held at the Phillips Community Pool again this year. They will provide the registered swim instructors, however Mrs. Komarek will be along on the bus to chaperone and make sure all students get where they need to be.

The bus will be transporting students to the pool and will leave from the Elementary School parking lot at 8am and will return by 12pm. Due to heading North, there will NOT be a stop in Whitesey, however the bus will continue to stop at the Westboro Library to pick up students.

Students will be placed in "swimming levels" according to their swimming ability. Since this class has limited enrollment, please do not register your child if they are unable to attend instructions most of the dates. Registration often fills up fast. Therefore, enrollment will be based on registration time.

****Students entering 1st through 8th grade in the fall are eligible to sign up for swimming lessons.****
